REQUEST TO WITHDRAW NOTICE OF ABANDONMENT

Honorable Commissioner for Patents  
United States Patent and Trademark Office  
Washington DC 20231

RECEIVED  
MAY 01 2001  
Technology Center 2600

Dear Sir:

The appended document has been received from the Patent and Trademark Office, but is in error. Withdrawal of the Notice of Abandonment is therefore requested.

While the abandonment document does not so indicate (and should, since it is otherwise incomprehensible), the undersigned found, upon telephoning the Patent and Trademark Office, that the Declaration for the application is not of record, and that is why the abandonment letter has been sent.

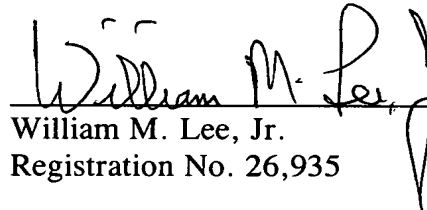

The Declaration was submitted to the Patent and Trademark Office on March 2, 2000, and was received by the Patent and Trademark Office on March 7, 2000. Appended hereto is a copy of the papers submitted, as well as a copy of the postcard receipt of the firm of the undersigned which clearly shows receipt by the Patent and Trademark Office on March 7,

2000. Unfortunately, however, the serial number in the submitting document was wrong (473,723 rather than 473,726), and apparently the Patent and Trademark Office either discarded the document or placed it in the wrong file, even though the duplicate copy of the Notice was returned, and that duplicate copy clearly has the proper serial number on it.

Since the proper papers were filed with the Patent and Trademark Office in time, it is requested that the Patent and Trademark Office withdraw the abandonment of the application and proceed with examination in due course.

Respectfully submitted, .

Date: April 20, 2001
